Description of Observation	At 0355 Suzanne called on the radio about someone in p1 smashing a car window with one of our fire extinguishers. I went to the area and saw the suspect. He ran towards the back of p1 and yelled that the owner of the car stole from him. He was carrying a black bag and he had a blanket over his head. I let Suzanne know he went through The W's stairwell 5. She called the W to let them know.
